O R D E R:

His Excellency the Governor of Madras sanctions the further retention till 31st May 1948 or till the necessity for their employment ceases, whichever is earlier, of the staff employed in the Civil Supplies Transport Organisation with reference to the G.Os. cited. The sanctionn herein accorded applies also to the eighteen drivers and one lower divison clerk employed with reference to G.O.361, Food dated 28-3-1947.

2. In this connection the Board is informed that as the Civil Supplies work from the transport point of view has gone down considerably and is likely to go down further there is great scope for reduction of the present staff employed in the C.S.T. Civil Supplies Transport Organisation both in the city and the moffussil. The Board is therefore requested to go into the question in detail and submit to Government comprehensive proposals in the matter after effecting whatever retrenchment of staff is immediately possible.

3. It has been suggested that, if the intention is eventually to sell the Civil Supplies lorries, it would be financially profitable to sell the maximum number as soon as possible as they are likely to fetch a much lower price if they are retained too long. There will at the same time be more economy by reduction of staff. The Board of Revenue (Civil Supplies) is requested to consider the suggestion with a view to its adoption to the extent possible and to submit a report on it to the Government indue course.
